

SPONSORSHIP APPLICATION

Dear Seymour Pumpkin Festival friends and supporters,

In September, the Seymour Pumpkin Festival will be celebrating another year. We are a nonprofit committee of volunteers who provide monetary support to many different community groups. We do not receive any funding from the town or state. Not only does the Pumpkin Festival bring in funds which benefit the people of our community, but it also brings many vendors and visitors to our town each fall.

Since 1965, we have been able to generously contribute to many local causes. Last year we reached many people in our community by giving over \$10,000 in donations and scholarships. A few of last year's beneficiaries were the Seymour/Oxford Food Bank, Seymour Recreation's Summer Camp, Project Purple, Seymour Ambulance and fire companies, and Seymour CARES.

While we are proud of our success, it is our goal to increase our donations. We are seeking your assistance with our sponsorship program which will help us achieve our donation goal. We are confident this program will provide a benefit to your company through increased recognition and association with the Seymour Pumpkin Festival. Your donation is a tax free deduction as we are a nonprofit organization as defined under IRS code 501(c)3.

There are six levels of sponsorship with the benefits to your company at each level outlined on the next page. All monies received from sponsorships will directly benefit our community. It would be appreciated if your sponsorship could be received by August 1.

Please mail your sponsorship to:
